TOUR POLICY

- Docent-led tours will be held on Tuesdays and Thursdays between 10:30am and 3:30pm.
- Reservations are required for all group tours and should be made at least 10 days in advance.
- While making the reservation, we need to know if there are any special needs.
- The ideal tour size is 8-12 people. If there are larger groups, they will need to be split into smaller groups.
- Please note that in the gallery no food or drink is allowed, no touching the exhibit and no flash photography.
- If a tour needs to be cancelled, call immediately so that docents assigned for your tour may be informed.
